

4S Study – Scores and Swabs to Self-assess Sore Throat

Sometimes your throat gets sore. Sometimes your Mummy or Daddy might take you to a nurse or doctor who will ask about your throat and use tests to see if you need medicine.

We are trying to find out if your Mummy or Daddy can ask the same questions and do the same tests that a doctor or nurse might do.

If you are happy, we would like to do this but you don't have to do this if you don't feel like it.

You can chat more to your mummy or daddy or the researcher about this.
