

Can you help us with research about weight loss?

- Are you interested in testing a new technology to support weight loss?
- Do you have a BMI of over 25?

We are looking for participants to take part in an innovative research study, using an online portal, to support individuals with weight management and nutrition support.

If you are interested or would like further information, please contact Dr. Anne Moorhead at a.moorhead@ulster.ac.uk
