

London - Fulham Research Ethics Committee

2 Redman Place
Stratford
London
E20 1JQ

06 August 2026

Dear Applicant,

Study title: Hospital-acquired Infection Prevention with Parenteral Omegaven
REC reference: 24/LO/0914
Modification number: Substantial modification 1
Modification date: 18 June 2026
IRAS project ID: 1008285

The above modification was reviewed at the meeting of the Sub-Committee held on 29 July 2026 by the Sub-Committee in correspondence.

Thank you for responding to the Research Ethics Committee's (REC) request for further information on the above research and submitting revised documentation (where applicable). The further information has been considered on behalf of the Committee by a member of staff.

Ethical opinion

The members of the Committee taking part in the review gave a favourable ethical opinion of the modification on the basis described in the notice of modification form and supporting documentation.

Approved documents

The documents reviewed and approved at the meeting were:
