

Postnatal Instead of Normally-timed Cervical Screening-2

IRAS ID: 321696

Centre Number:

Participant Identification Number for this trial:

CONSENT FORM

Title of Project: Postnatal Instead of Normally-timed Cervical Screening-2 (PINCS-2)

Investigating the acceptability and accuracy of cervical screening and self-sampling in women at 6-weeks postnatal

Name of Researcher:

Please initial box

1. I confirm that I have read the information sheet dated 05/11/2025 (version 4.3) for the above study. I have had the opportunity to consider the information, ask questions and have had these answered satisfactorily.

☐

2. I understand that my participation is voluntary and that I am free to withdraw at any time and without giving a reason, without my medical care or legal rights being affected.

☐

If I withdraw at any point, I understand that data already collected will be retained, but no further data or samples will be collected, unless I confirm that I am willing for the study team to continue to access follow up data, relevant to the study from my medical records.

3. I understand that data collected during the study may be looked at by individuals from Somerset NHS Foundation Trust, Queen Mary University of London, National Institutes for Health, regulatory authorities or from the recruiting NHS Trust, where it is relevant to my taking part in this research. I give permission for these individuals to have access to my records.

☐

4. I understand that my samples and the information collected about me will be stored in a biobank for future studies. Data will be stored in line with the General Data Protection Regulation of 2018.

☐

5. I have been given information on how to withdraw from this study, including contact details, if I choose to do so.

☐

6. I understand that the research team at my recruiting NHS Trust will access the result of my sample taken for the NHS Cervical Screening Programme at the same time as my research samples. They will access other NHS records for other medical information, if needed.

☐

7. I agree to take part in the above study.

☐

8. I consent for anonymised information collected about me to be stored and used to support ADDITIONAL RESEARCH by future researchers on the same topic, subject to necessary ethical approvals. Data will be stored in line with the General Data Protection Regulation of 2018.
