

SParky Samba Trial - Consent Form

Chief Investigators: Dr Cheney Drew and Dr Katy Hamana

Evaluating the feasibility of a samba percussion intervention for people with Parkinson's disease (SParky Samba).

If you have read the Participant Information Sheet and would like to take part in this trial, please complete this consent form below by initialling the boxes and signing where indicated.

**Please
initial box**

I confirm that I have read the information sheet dated // version for the above research project, have had the opportunity to ask questions and that these have been answered satisfactorily.	
I understand that my participation is voluntary, and I am free to withdraw at any time without giving a reason and without any adverse consequences (e.g. to medical care or legal rights). I understand that if I withdraw, information about me that has already been obtained may be kept by Cardiff University, unless I specifically request that it is not.	
I understand that data collected during the research project may be looked at by individuals from Cardiff University or from regulatory authorities, where it is relevant to my taking part in the research project. I give permission for these individuals to have access to my data.	
I consent to the processing of my personal information [name, age, sex and contact details] for the purposes explained to me. I understand that such information will be held in accordance with all applicable data protection legislation and in strict confidence, unless disclosure is required by law or professional obligation. This potentially includes finance accessing personal information to process for travel reimbursements.	

I understand who will have access to my personal information provided, how the data will be stored and what will happen to the data at the end of the research project.	
I understand that as part of the trial, I will be asked to complete assessments at the start and end of the 12 weeks. I understand that I will be attending either the SParky Samba intervention for the 12 weeks or if part of the control group I will be offered to join SParky Samba after 12 weeks.	
I understand that any interview I may take part in will be audio and video recorded.	
I understand that direct quotes from the interview may be used in publication of the study results, but that steps will be taken to ensure my identity is protected.	
I agree to take part in the SParky Samba feasibility trial.	
I agree to receive a copy of the trial results and agree to my contact details being retained for this purpose	Please initial one option Yes ☐ No ☐
I understand that after the research project, de-identified data may be shared with other researchers and may be used for purposes not related to this research project. I understand that data will only be shared for ethically approved research projects and steps will be taken to ensure that my confidentiality is maintained. I consent to my data being shared	Please initial one option Yes ☐ No ☐

Participant: Please provide a signature to evidence your consent to the above points		
Name	Date	Signature
.....		

Once complete, a copy will be emailed to the participant and a copy will be sent to the research site for insertion into the participants medical notes and the investigator site
