

Consent to take part in the SpeechMate Study

Central University Research Ethics Committee (CUREC) reference: MS IDREC 2487591

Purpose of the study is to investigate tools to support public speaking.

**Please initial each
box if you agree
with the
statement**

I confirm that I have read and understand the information sheet version 1 dated __ / __ / ____ for the above study. I have had the opportunity to consider the information, ask questions and have had these answered satisfactorily

I understand that my participation is voluntary and that I am free to withdraw at any point, without giving any reason, up to one month after the in-person session.

I understand who will have access to personal data provided, how the data will be stored and what will happen to the data at the end of the project.

I understand that research data collected during the study may be looked at by designated individuals from the University of Oxford where it is relevant to my taking part in this research. I give permission for these individuals to have access to my data.

I consent to being audio and video recorded.

I understand how audio and video recordings will be used in research outputs.

I consent to installing and using the SpeechMate app on my personal smartphone for the purposes of this research, and I understand that the app will not collect any personal data beyond what is described in the information sheet.

I give permission for you to contact me again to clarify information.

I understand how to raise a concern or make a complaint.

I agree to take part.

Optional: I agree that my personal contact details can be retained in a secure database so that the researchers can contact me about future studies.

YES / NO

Optional: I agree that the audio and video recordings may be used for educational purposes (i.e. training of research staff and students).

YES / NO

And that this includes research meetings, teaching, scientific publication, and public outreach. Please note, also, that we will not give these recordings to individuals outside of the research group.

YES / NO
