Participant Study ID:

M	O	L	O	-	-				
---	---	---	---	---	---	--	--	--	--

Please initial box

I confirm that I have read and understand the participant information sheet for the above study and have had the opportunity to ask questions which have been answered fully.	
I agree to taking part in the focus group. I understand that my participation is voluntary and won't in any way influence access to, or provision of, clinical care.	
I agree to take part in a one-to-one interview. I understand that my participation is voluntary.	
I am aware of the topics to be discussed in the focus group/interview.	
I am aware that I will remain anonymous when results are shared and reported.	
I am aware that I have the right to leave the focus group/interview at any point and I can withdraw permission for my data to be used at any stage up to reporting/publication.	
I agree to have the focus group recorded (video or audio) so it can be transcribed after the focus group/interview is held. I understand that my recordings will be deleted as soon as they are transcribed.	
I understand that everything discussed in the focus group/interview will remain confidential.	
If I disclose information which concerns the study team that I may be a risk of myself or others, then my confidentiality may be broken. In the rare event that my confidentiality is required to be broken, I will be informed first.	
I consent to enter the study.
