# Study information

## Scientific Title

PIN (Perforate Invaginate) stripping of the long saphenous vein, in patients having varicose vein surgery, with or without groin dissection on the postoperative pain outcome: prospective, single blind, randomised controlled trial

## Study objectives

What are the outcomes of PIN (Perforate Invaginate) stripping of the long saphenous vein in patients having varicose vein surgery with or without groin dissection on postoperative pain?

## Ethics approval required

Old ethics approval format

## Ethics approval(s)

Not provided at time of registration

## Study design

Randomised controlled trial

## Primary study design

Interventional

## Secondary study design

Randomised controlled trial

## Study setting(s)

Hospital

## Study type(s)

Treatment

## Participant information sheet

Not available in web format, please use the contact details below to request a patient information sheet

## Health condition(s) or problem(s) studied

Surgery: Long saphenous vein

## Interventions

Patients were randomised to groin dissection (conventional practice) or no groin dissection (intervention group).

## Intervention Type

Procedure/Surgery

## Phase

Not Specified

**Primary outcome measure**

Numerical analogue pain score at 1, 6 and 12 hours post-op.

**Secondary outcome measures**

Analgesic requirements during first 24 hours post-op and first week post-op.

**Overall study start date**

15/04/2005

**Completion date**

31/03/2007

## **Eligibility**

**Key inclusion criteria**

Patients with sapheno-femoral incompetence and long saphenous vein incompetence in thigh who are undergoing elective sapheno-femoral disconnection and PIN stripping of the long saphenous vein with multiple avulsions.

**Participant type(s)**

Patient

**Age group**

Not Specified

**Sex**

Not Specified

**Target number of participants**

25 in each group. 50 total.

**Key exclusion criteria**

Patients scheduled to undergo simultaneous saphenous vein surgery.

**Date of first enrolment**

15/04/2005

**Date of final enrolment**

31/03/2007

## **Locations**

**Countries of recruitment**

England
