# Study information

## Scientific Title

A feasibility study of an internet-based sexually transmitted infection (STI)/human immunodeficiency virus (HIV) behaviour change intervention

## Study objectives

To develop and test the feasibility of a novel computer-aided behavioural intervention for STI /HIV prevention, targeting people at high risk, with a view to testing the efficacy of this intervention in a future randomised controlled trial

## Ethics approval required

Old ethics approval format

## Ethics approval(s)

Not provided at time of registration.

## Study design

Randomised controlled trial

## Primary study design

Interventional

## Secondary study design

Randomised controlled trial

## Study setting(s)

Not specified

## Study type(s)

Prevention

## Participant information sheet

## Health condition(s) or problem(s) studied

Sexual Health

## Interventions

Intervention: introduction and access to an internet-based intervention to reduce sexual behaviour risk

Controls: treatment and advice as usual

## Intervention Type

Other

## Phase

Not Specified

**Primary outcome measure**

1. Attrition rate after 6 months
2. Reported sexual risk behaviours
3. Reinfection with an STI by 6 month follow-up point

**Secondary outcome measures**

Not provided at time of registration.

**Overall study start date**

01/09/2005

**Completion date**

31/08/2007

## Eligibility

**Key inclusion criteria**

Patients with an incident sexually transmitted infection (gonorrhoea, chlamydia, infectious syphilis, first clinical episode genital warts, primary genital herpes).

**Participant type(s)**

Patient

**Age group**

Adult

**Sex**

Both

**Target number of participants**

360

**Key exclusion criteria**

1. Non-English speaker
2. Functional illiteracy for internet use

**Date of first enrolment**

01/09/2005

**Date of final enrolment**

31/08/2007

## Locations

**Countries of recruitment**

England

United Kingdom

**Study participating centre**  
**Imperial College London**  
Dept Infectious Disease Epidemiology  
London  
United Kingdom  
W2 1PG

## Sponsor information

### Organisation

Sponsor to be confirmed - Record provided by the Medical Research Council (UK)

### Sponsor details

20 Park Crescent  
London  
United Kingdom

-  
h.ward@imperial.ac.uk

### Sponsor type

Research council

## Funder(s)

### Funder type

Research council

### Funder Name

Medical Research Council (MRC) (UK)

### Alternative Name(s)

Medical Research Council (United Kingdom), UK Medical Research Council, MRC

### Funding Body Type

Government organisation

### Funding Body Subtype

National government

### Location

United Kingdom

## Results and Publications

### Publication and dissemination plan

Not provided at time of registration

### Intention to publish date

### Individual participant data (IPD) sharing plan

### IPD sharing plan summary
