c.e.clarke@bham.ac.uk

## Additional identifiers

EudraCT/CTIS number

IRAS number

ClinicalTrials.gov number

Secondary identifying numbers

N/A

## Study information

### Scientific Title

### Acronym

The PD OT Trial

### Study objectives

Community occupational therapy has beneficial effects upon functional independence, mobility and quality of life in patients with Parkinson's disease when compared to no occupational therapy intervention

### Ethics approval required

Old ethics approval format

### Ethics approval(s)

Not provided at time of registration

### Study design

Randomised controlled trial

### Primary study design

Interventional

### Secondary study design

Randomised controlled trial

### Study setting(s)

Other

### Study type(s)

Treatment

### Participant information sheet

### Health condition(s) or problem(s) studied

Parkinson's Disease

### Interventions

Occupational therapy compared to no occupational therapy

### Intervention Type

Other

### Phase

Not Specified

**Primary outcome measure**

Functional ability

**Secondary outcome measures**

1. Mobility
2. Disability
3. Quality of Life

**Overall study start date**

01/07/2005

**Completion date**

30/06/2006

## **Eligibility**

**Key inclusion criteria**

1. Idiopathic Parkinson's disease (PD) defined by the UK PDS Brain Bank Criteria
2. Patients with more severe PD - those with Hoehn and Yahr stages III and IV

**Participant type(s)**

Patient

**Age group**

Adult

**Sex**

Both

**Target number of participants**

50

**Key exclusion criteria**

1. Dementia (as usually defined by the Investigator) - the patient must be capable of completing self-assessment forms
2. Received occupational therapy in the last 2 years and/or physiotherapy in the last year

**Date of first enrolment**

01/07/2005

**Date of final enrolment**

30/06/2006

## **Locations**

**Countries of recruitment**

England

United Kingdom

**Study participating centre**  
**Department of Neurology**  
Birmingham  
United Kingdom  
B18 7QH

## **Sponsor information**

### **Organisation**

University of Birmingham (UK)

### **Sponsor details**

Medical School  
Edgbaston
