

# Outpatient care compared with hospitalisation in low-risk patients with community-acquired pneumonia: a randomised trial

**Submission date**  
01/09/2004

**Recruitment status**  
No longer recruiting

☐ Prospectively registered

☐ Protocol

**Registration date**  
08/09/2004

**Overall study status**  
Completed

☐ Statistical analysis plan

☒ Results

**Last Edited**  
07/08/2007

**Condition category**  
Infections and Infestations

☐ Individual participant data

## Plain English summary of protocol

Not provided at time of registration

## Study information

### Scientific Title

### Study objectives

Not provided at time of registration

### Ethics approval required

Old ethics approval format

### Ethics approval(s)

Not provided at time of registration

### Study design

Randomised controlled trial

### Primary study design

Interventional

### Secondary study design

Randomised controlled trial

### Study setting(s)

Hospital

### Study type(s)

Quality of life

### Participant information sheet

### Health condition(s) or problem(s) studied

Community-Acquired Pneumonia

### Interventions

Patients were randomly assigned to outpatient care or hospitalisation, and received oral or switch therapy with levofloxacin, respectively.

### Intervention Type

Other

### Phase

Not Specified

### Primary outcome measure

Not provided at time of registration

### Secondary outcome measures

Not provided at time of registration

**Overall study start date**

01/10/2000

**Completion date**

31/10/2002

## **Eligibility**

**Key inclusion criteria**

224 immunocompetent adults in risk classes II or III (Pneumonia Severity Index  $\leq 90$  points), without extenuating conditions diagnosed with community-acquired pneumonia in the emergency department.

**Participant type(s)**

Patient

**Age group**

Not Specified

**Sex**

Not Specified

**Target number of participants**

224

**Key exclusion criteria**

Not provided at time of registration

**Date of first enrolment**

01/10/2000

**Date of final enrolment**

31/10/2002

## **Locations**

**Countries of recruitment**

Spain
