## Plain English summary of protocol

Not provided at time of registration

## Contact information

### Type(s)

Scientific

### Contact name

Dr Suzanne Tough

### Contact details

Alberta Children's Hospital  
2888 Shaganappi Trail NW  
Calgary  
Canada  
T3B 6A8

## Additional identifiers

### Protocol serial number

10

## Study information

### Scientific Title

### Acronym

CPC Study

### Study objectives

It was hypothesised that additional community-based prenatal support from nurses and home visitors would improve the use of prenatal resources among women at low medical risk, including those experiencing challenges such as poverty, language barriers, abuse, and low self esteem.

### **Ethics approval required**

Old ethics approval format

### **Ethics approval(s)**

Conjoint Health Ethics Research Board, Calgary Health Region and University of Calgary.  
Approval date: June 7, 2001(ref: #15763).

### **Study design**

Randomised controlled trial

### **Primary study design**

Interventional

### **Study type(s)**

Quality of life

### **Health condition(s) or problem(s) studied**

Pregnancy

### **Interventions**

Pregnant women randomised to:

1. Standard of prenatal care,
2. Standard of prenatal care plus supplementary nurse, or
3. Standard of care plus supplementary nurse and home visitor.

### **Intervention Type**

Other

### **Phase**

Not Specified

### **Primary outcome(s)**

1. Resource utilisation
2. Provision of information

### **Key secondary outcome(s))**

1. Mental health
2. Lifestyle choices
3. Satisfaction with care

### **Completion date**

01/06/2004

## **Eligibility**

**Key inclusion criteria**

1. More than or equal to 18 years
2. Speak English, French, Punjabi, Urdu, Arabic, Cantonese, Mandarin
3. Live in city limits
4. Not attended first prenatal class prior to intake interview

**Participant type(s)**

Patient

**Healthy volunteers allowed**

No

**Age group**

Adult

**Lower age limit**

18 years

**Sex**

Female

**Key exclusion criteria**

1. Less than 18 years
2. Could not speak English, French, Punjabi, Urdu, Arabic, Cantonese, or Mandarin
3. Live outside city limits
4. Attended first prenatal class prior to intake interview

**Date of first enrolment**

01/04/2001

**Date of final enrolment**

01/06/2004

**Locations****Countries of recruitment**

Canada

**Study participating centre**

Alberta Children's Hospital

Calgary
