## Additional identifiers

**Protocol serial number**  
06/039/SMI

## Study information

**Scientific Title**

**Acronym**

SPT

**Study objectives**

Does allergy assessment and appropriate advice in general practice enhance the care of patients with asthma and rhinitis and is it cost effective compared with routine medical care?

**Ethics approval required**

Old ethics approval format

**Ethics approval(s)**

Ethics approval received from the Multicentre Research Ethics Committee on the 26th May 2003 (ref: MREC/02/10/13).

**Study design**

Randomised controlled trial

**Primary study design**

Interventional

**Study type(s)**

Treatment

**Health condition(s) or problem(s) studied**

Asthma and rhinitis

**Interventions**

Allergy intervention - structured allergy history and skin prick testing and appropriate advice on allergy avoidance versus routine medical care

**Intervention Type**

Other

**Phase**

Not Specified

**Primary outcome(s)**

1. Symptom scores (validated scale for asthma and rhinoconjunctivitis)
2. Health-related quality of life (using child or adult specific instruments)

**Key secondary outcome(s)**

1. Patients' subjective assessment of symptomatic improvement
2. Change in patient management (introduction or withdrawal of allergen avoidance)

**Completion date**

01/05/2008

**Eligibility****Key inclusion criteria**

Patients with a working diagnosis of asthma and/or rhinoconjunctivitis

**Participant type(s)**

Patient

**Healthy volunteers allowed**

No

**Age group**

Adult

**Sex**

All

**Key exclusion criteria**

1. Less than 5 years or greater than 50 years
2. Terminal illness
3. Confusional state
4. History of anaphylaxis
5. Tested in the preceding two years

**Date of first enrolment**

01/05/2006

**Date of final enrolment**

01/05/2008

**Locations**

**Countries of recruitment**

United Kingdom

England

**Study participating centre**

**Brighton and Sussex Medical School**

Brighton

United Kingdom

BN1 9PH

**Sponsor information**

**Organisation**

Brighton and Sussex University Hospitals NHS Trust (UK)

# Funder(s)

## Funder type

Industry

## Funder Name

Brighton and Sussex Medical School (UK) - originally held by from Southampton University

## Funder Name

Alk-Abello Ltd (UK) (ref: D105 R107)
