## Additional identifiers

EudraCT/CTIS number

IRAS number

ClinicalTrials.gov number

### Secondary identifying numbers

N0280119833

# Study information

## Scientific Title

Prospective randomised study on management of perianal abscesses comparing open drainage with American technique

## Study objectives

To assess which particular technique of perianal abscess management is the better one.

## Ethics approval required

Old ethics approval format

## Ethics approval(s)

Not provided at time of registration

## Study design

Randomised controlled trial

## Primary study design

Interventional

## Secondary study design

Randomised controlled trial

## Study setting(s)

Hospital

## Study type(s)

Treatment

## Participant information sheet

Not available in web format, please use the contact details below to request a patient information sheet

## Health condition(s) or problem(s) studied

Surgery: Perianal abscess

## Interventions

Prospective randomised, controlled trial. Random allocation to:

1. Open drainage
2. American technique

## Intervention Type

Procedure/Surgery

## Phase

Not Specified

## Primary outcome measure

1. Pain score
2. Time to return to normal activity
3. Time to return to normal work
4. Wound healing time
5. Quality of life
6. Recurrence
7. Fistula rate

**Secondary outcome measures**

Not provided at time of registration

**Overall study start date**

06/01/2003

**Completion date**

05/01/2004

## Eligibility

**Key inclusion criteria**

Those patients who present with perianal abscesses to an acute surgical ward will be approached for participation in this study.

**Participant type(s)**

Patient

**Age group**

Not Specified

**Sex**

Not Specified

**Target number of participants**

Not provided at time of registration

**Key exclusion criteria**

Does not match inclusion criteria

**Date of first enrolment**

06/01/2003

**Date of final enrolment**

05/01/2004

## Locations

**Countries of recruitment**

England

United Kingdom

**Study participating centre**  
**Arrowe Park Hospital**  
Wirral  
United Kingdom  
CH49 5PE

## **Sponsor information**

**Organisation**  
Department of Health (UK)

**Sponsor details**  
Richmond House  
79 Whitehall  
London  
United Kingdom
