Study design

Randomised controlled trial

Primary study design

Interventional

Secondary study design

Randomised controlled trial

Study setting(s)

Not specified

Study type(s)

Not Specified

Participant information sheet

Health condition(s) or problem(s) studied

Not applicable

Interventions

Manuscripts were randomised as to whether the reviewers were unmasked, masked, or uniformed that a study was taking place. Two reviewers for each manuscript were randomised to receive either a blinded or an unblinded version.
