## Plain English summary of protocol

Not provided at time of registration

## Contact information

### Type(s)

Scientific

### Contact name

Dr Charles Montgomery

### Contact details

Department of Mental Health  
University of Exeter  
Wonford House Hospital  
Dryden Road  
Exeter  
United Kingdom  
EX2 5AF

## Additional identifiers

### Protocol serial number

N0079096832

## Study information

### Scientific Title

A randomized controlled trial of venlafaxine versus placebo for depression amongst persons with lymphoma or leukaemia

**Study objectives**

Is venlafaxine an effective antidepressant for depression amongst persons with lymphoma or leukaemia?

**Ethics approval required**

Old ethics approval format

**Ethics approval(s)**

Not provided at time of registration

**Primary study design**

Interventional

**Study design**

Randomised controlled trial

**Study type(s)**

Treatment

**Health condition(s) or problem(s) studied**

Depression amongst persons with lymphoma or leukaemia

**Interventions**

A randomized controlled trial of venlafaxine versus placebo

**Intervention Type**

Drug

**Phase**

Not Applicable

**Drug/device/biological/vaccine name(s)**

Venlafaxine

**Primary outcome(s)**

Hamilton Rating Scale for Depression

**Key secondary outcome(s)**

Not provided at time of registration

**Completion date**

31/12/2003

**Eligibility****Key inclusion criteria**

Persons with lymphoma or leukaemia with depression as assessed using the Hamilton Rating Scale for Depression.

**Participant type(s)**

Patient

**Healthy volunteers allowed**

No

**Age group**

Not Specified

**Sex**

Not Specified

**Key exclusion criteria**

Does not meet inclusion criteria

**Date of first enrolment**

07/01/2001

**Date of final enrolment**

31/12/2003

**Locations**

**Countries of recruitment**

United Kingdom

England

**Study participating centre**

**University of Exeter**

Exeter

United Kingdom

EX2 5AF

**Sponsor information**

**Organisation**

Department of Health (UK)

**Funder(s)**

**Funder type**

Hospital/treatment centre

**Funder Name**

Devon Partnership NHS Trust (UK)

## **Results and Publications**

**Individual participant data (IPD) sharing plan****IPD sharing plan summary**
