## Plain English summary of protocol

Not provided at time of registration

## Contact information

### Type(s)

Scientific

### Contact name

Mr Richard Johanson

### Contact details

North Staffs Maternity Hospital  
Hilton Road  
Staffordshire  
Stoke-on-Trent  
United Kingdom  
ST4 6SD

## Additional identifiers

### Protocol serial number

547

## Study information

### Scientific Title

**Study objectives**

Audit the number of uncomplicated breech pregnancies at term being offered External Cephalic Version (ECV) and evaluate the impact of providing a multifaceted intervention package on patient management in terms of eligible women being offered ECV.

**Ethics approval required**

Old ethics approval format

**Ethics approval(s)**

Not provided at time of registration

**Study design**

Cluster randomised controlled trial

**Primary study design**

Interventional

**Study type(s)**

Treatment

**Health condition(s) or problem(s) studied**

Breech presentation birth

**Interventions**

1. ECV
2. No ECV

**Intervention Type**

Other

**Phase**

Not Specified

**Primary outcome(s)**

Added 28/01/10:

The percentage of women with breech presentation at term who were offered ECV in the antenatal clinic, before and after the intervention

**Key secondary outcome(s))**

Not provided at time of registration

**Completion date**

01/08/1997

**Eligibility****Key inclusion criteria**

Pregnant females with uncomplicated breech birth

**Participant type(s)**

Patient

**Healthy volunteers allowed**

No

**Age group**

Adult

**Sex**

Female

**Key exclusion criteria**

Does not match inclusion criteria

**Date of first enrolment**

01/08/1995

**Date of final enrolment**

01/08/1997

## **Locations**

**Countries of recruitment**

United Kingdom

England

**Study participating centre**

**North Staffs Maternity Hospital**

Stoke-on-Trent

United Kingdom

ST4 6SD

## **Sponsor information**

**Organisation**

NHS R&D Regional Programme Register - Department of Health (UK)

## **Funder(s)**

**Funder type**

Government

**Funder Name**

NHS Executive West Midlands (UK)

## Results and Publications

**Individual participant data (IPD) sharing plan****IPD sharing plan summary**

Not provided at time of registration

**Study outputs**

| Output type                     | Details | Date created | Date added | Peer reviewed? | Patient-facing? |
|---------------------------------|---------|--------------|------------|----------------|-----------------|
| <a href="#">Results article</a> | results | 10/12/2001   |            | Yes            | No              |
